

LADIES GOLF TOURNAMENT

Hope and healing for children & families in crisis

Date: September 7, 2015

Dear Business Partner,

On behalf of the Persimmon Ridge Ladies Golf Association and the Maryhurst Foundation, thank you for your kind sponsorship of **\$100**. Your caring support of the Maryhurst Foundation will make a great difference in the lives of many children.

Maryhurst is a place of new beginnings for children who have been traumatized by unimaginable abuse. Founded by Sisters of the Good Shepherd in 1843, Maryhurst is the oldest child welfare agency in the Commonwealth of Kentucky. Monies generated for the Maryhurst Foundation provide expert clinical, education, and health and wellness services that appropriately and cost-effectively serve children during various stages of their treatment needs.

As a vehicle to generate monies for the Maryhurst Foundation, the Persimmon Ridge Ladies Golf Association will again host the **Beauties vs the Beast Ladies Golf Tournament** on September 16, 2015. Proceeds from this event will benefit the Maryhurst Foundation.

The generous support of individuals and companies like yours makes it possible for the Persimmon Ridge Ladies Golf Association to help our community be such a great place to live and work.

Thank you for your support.

Kindly,

Joyce Leonberger

Treasurer

Persimmon Ridge Ladies Golf Association
